

Using CLOSER Discovery for questionnaires

September 2023

Learn how to find how a variable
was asked in the original
questionnaire

CLOSER is funded by:

Economic
and Social
Research Council

How do I...

- **find how a variable was asked in the original questionnaire?**
 - i.e. the source question and the whole questionnaire
 - e.g., “alcohol intake questions in the CLOSER studies?”

Note that examples are illustrative. Content is continuously being added and improved.

Enter a search term (e.g., “**alcohol**”) in the **Search query** box.

alcohol

About CLOSER

CLOSER, the home of longitudinal research, is the interdisciplinary partnership of leading social and biomedical longitudinal population studies, the UK Data Service and The British Library. We are funded by the Economic and Social Research Council (ESRC).

CLOSER works to increase the visibility, use and impact of longitudinal population studies, data and research to ensure that longitudinal evidence is used to address the health, social, economic and environmental challenges facing the UK, now and in the future.
